

Let's talk trash!

Have your say on future garbage and recycling programs at an Open House near you!

Gather information from our staffed displays and have your say. Do you want to:

- Increase recycling at home, office and apartments
- Separate construction waste
- Collect more yard waste
- Collect and compost food waste
- Recycle more plastics
- Have better policies
- And more!

Can't make it? Review the info online starting April 24th and give your feedback at www.regionaldistrict.com
